Lotions 2009**

CARIBBEAN GOLD®

cheers!

Caribbean Gold® proudly
presents the lotions for 2009:

CARIBBEAN GOLD®
Cheers!

Get the **best** out of your **skin** and the best out of yourself! That's **exactly** what we've done with the **new** Caribbean Gold® lotions and **upgrades** in the new **Cheers** line. The **fantastic** ingredients that you **already** know are used as the basis for the **special mixes**, together with extra new ingredients.

The result: a **lovely tanned** skin that gives you a **healthy** glow full of self-confidence! **Cheers!**

hot

new products!

heart THROB™
Dark Bronzing Accelerator

NEW!

Your heart and everyone else's around you will start beating faster and louder thanks to Heart Throb™! No kidding: this formidable lotion will win your heart with the resulting amazingly fast golden-brown hue and outstanding skin care. Your beautifully tanned and well cared for body will get everyone's pulses racing without you even knowing! Not so surprising- after all, the natural tanning extracts that tan your skin more deeply are contained in the Heart Breaker Bronzer. Unique formulas including UV Raydar® Blend (packed with Vitamins A and E) and What-a-Rush Skin Softener (with Aloe Vera) provide your skin with added nourishment. Bring on those racing hearts!

game ON™
Dark Tanning Accelerator

The game is not over yet! Conquer those ghostly pale legs with Game On™, the ultimate tanning accelerator! Prove that you are ready for a real contest and seize the medal with your head held high and a gorgeous tan. The secret to your victory are the four renowned natural bronzers, DHA and melanin enhancers that help this lotion get you glowing like a born winner! Vitamins A and E in the UV Raydar® Blend nourish your skin and the What-a-Rush Skin Softener expertly does its job by using sake extract to leave your skin delightfully soft. Game ON™ has a delicious Island Grove scent and comes in an eye-catching bottle. Ready to play? Game on!

sex Kitten™

Intensifier with Hemp

This lotion has already won over many hearts, and many more will be conquered with this super upgrade! A lovely tanned body like a beautiful sex kitten is possible with this lotion. The mix of Hard-up™ Blend, a skin-fortifying complex, alfalfa extract and the Whistle-Wetting Moisture blend, mean your body will never look the same again! A little warning for people with white legs: you will never be satisfied with milk bottles again, once you have tried this! Lotion ratio: one part Hello Kitty, two parts sexy.

Delusional™

Intensifier with Hemp

People will think they're seeing things and want to touch your skin to see if you're real! Delusional lotion helps you get wild-dark colour and smooth, supple skin. Skin caring ingredients, natural oils and tanning accelerators create the dazzling formula that suits your skin perfectly! Let them pinch themselves if they think they're dreaming, cause no-one is touching your radiant skin!

Shake until dizzy and confuse everybody baby!
Lotion ratio: one part dazed, two parts confused

Without too much support from you, we have created the most fantastic tanning formula! Now don't be a FOOL - use this lotion for the darkest skin ever. Blitzed Bronzer, Supersized Bronzer and Bio Tanning®, they speak for themselves: brown, browner, BROWNEST. So don't feel guilty and just enjoy the Hard-up™ Blend that fortifies, cools and cares for your skin, and most of all: makes it glow. Oh yes, and tidy your room, do your homework and close the door behind you. Lotion ratio: one part mysteriously brown, two parts hemp.

TAP That!™

Intensifier

Shake, smear and score! It's as easy as that with Tap That!. The deep brown colour gives you self-confidence and proves that you can do anything. The cocktail of antioxidants, together with the What-A-Lush Skin Softener, cares for your skin and prepares it for the fortifying ingredients. Sake extract and vegetable enriched oils and vitamins mean your skin radiates with well-being. It looks good, it feels good... it IS good!
Lotion ratio: one part tanning, two parts fortifying.

guilt TRIP™

Intensifier with cooler

IMMEDIATE **BOTTOMS UP™** Natural Bronzer

Shake briefly and the beauty radiates to the user. This new lotion stands on its head and also turns you upside down. And the best thing about it is that you get a lovely tan even after the very first time you use it. A deep tanned colour immediately, thanks to the Blowout Bronzers we have added! The What-A-Lush Skin Softener ensures silky soft skin. The Hard-up™ Blend contains a skin fortifier, vegetable enriched oils for an even darker skin, UV-Raydar® Blend, a cocktail of antioxidants and Vitamins E and A. Lotion ratio: one part perfect lower body, two parts perfect topless.

TOO CUTE™ **IMMEDIATE** **TA ACTIVATING** Natural Bronzer / TA Bronzer

Use immediately and make sure you always use it again – Too Cute is completely ready for it. The natural ingredients and the exclusive BioTanning® mix are a caring treatment for your skin. Natural DNA enriches the skin and the intense moisturisers bring the moisture level in the skin back to the right level. The Bio Tanning® bronzers give your complexion the extra colour. Our promise: you will become Too Cute for your own good! Lotion ratio: one part adorable, two parts deep brown.

I H **sex Pot™**

Natural Bronzer with Hemp

Wild eroticism with a super-tanning formula you quickly score with. This is the upgrade of the already popular Sex Pot lotion. The extra 'intensifier' in instant tanners and hemp seed extract produces an immediate result.

A Whistle-Wetting Moisture blend, pumpkin seed and sake extracts, together with the special Honey and Birch Bark extract, ensure perfect skincare.

Natural deep tanning and a super soft sexy skin! Lotion ratio: one part hemp, two parts sexy.

I D **Who Knew?™**
Triple Bronzer

Triple Bronzer with DermaDark™ Blend
Wow! What was that? Did anyone get the number of that bus? You won't know what hit you with this ultimate dark tanning lotion! But you don't mind, since your indescribably dark and memorable tan will cover up that dazed look on your face. The best quality ingredients are transported through your skin, as soon as you apply. Simply let UV work with them and discover: blacking out never looked so good. Who Knew? Lotion ratio: one part something, two parts something else.

B.Y.O.B.™ **D**
Dual Bronzer

Everyone will be falling over each other with jealousy of your stunning lovely tanned complexion! With B.Y.O.B, you will immediately have a dark tanned skin that is so well cared for you will be able to enjoy it for a long time. Natural tanners and DHA, together with the What-A-Lush Skin Softener, ensure perfect skincare. Sake extract and the Hard-up™ Blend with skin fortifying ingredients, vegetable enriched oils for an even darker skin, UV-Raydar® Blend, a cocktail of antioxidants and Vitamins E and A make it complete. You will blush from getting so much attention. Show your glow off and be proud of your skin! Lotion ratio: one part dark tan, one part self-confidence.

mind eraser™ BODY BLUSH™ BB

Body Blush™ Intensifier

Forget everything around you for a moment with Mind Eraser! When the day begins, it is not about how you feel but about how you look! So hurry up and make sure you have radiant glowing skin, with this tan-extending formula. How? With our additional formulas and ingredients such as: Body Shot, BodyBlush™ Blend, What-A-Lush Skin Softener, Sake Extract and the Hard-up™ Blend. When you wake up in the morning, you might not remember exactly what you did the night before, but you will remember that you looked fantastic!

Lotion ratio: one part restore, two parts blush

Pot Shot™

Tingle with Hemp

Have a shot! In fact, make it a double...double-dark that is! Pot Shot™ lotion starts you with a little tingle, and ends with the total rush of deep, rich colour. Apply generously to your body immediately before tanning and let the amazing ingredients do their work. Smoothing and darkening oils from sunflowers, olives, cannabis sativa seeds and tea tree will love your skin! You'll see: when the lights come up at the end of the night, you'll still be left in the lovely dark. Lotion ratio: one part fire, one part pitch-black.

Pretty 101™

Tan Extender/Moisturizer

You want a tan, but especially for it to last? Then Pretty 101 is the product for YOU! Chill with a super tanned colour and the Pretty 101™ skincare formula that maintains the tan for a spectacularly long time. The Whistle-Wetting Moisture blend provides ultimate hydration for the skin. Hemp seed extract, vitamins and Lipocare® Blend enhance the positive effects on the skin. As a bonus, we have added ingredients that counter-act aging of the skin and reduce wrinkles.

The skin absorbs the lotion quickly and provides brilliant results immediately – results that last! Lotion ratio: one part hot, two parts caring.
